

Landscape Services & Design

HOLLANDIA GUARANTEE:

IF WE DO THE PLANTING:

When Hollandia plants green-goods for you, they are guaranteed for 1 year from their original purchase date for 100% of their original purchase value (one time only). If any tree or shrub should fail to survive during this period, just give us a call. See exceptions below.

IF YOU DO THE PLANTING:

When you purchase and plant green-goods from Hollandia, they are guaranteed for 1 year from their original purchase date up to 1/2 of their original purchase value (one time only). If any tree or shrub should fail to survive during this period, just bring us your receipt and the plant and we will give you a credit for 50% of the original purchase price. See exceptions below.

EXCEPTIONS:

Unfortunately, damage due to the following reasons are not covered under this guarantee: deer or other wildlife, over/under watering, winter conditions (ice breakage), and acts of nature. Additionally, annuals, perennials and roses are not guaranteed.

Services & Design

(Continued from other side)

SERVICE 4: GRADING & DRAINAGE:

Water in your basement or garage? Ice Rink in the yard during winter? Ask us for help...before this happens! We can handle it!

SERVICE 5: STONWORK:

Hollandia can design, build, and maintain any stonework project you have in mind including: water gardens, walls, patios, and fire pits.

SERVICE 6: LIGHTING:

Brighten up your landscape with one or more of our many lighting options such as: path lights, up lights, and home low-voltage lights.

SERVICE 7: YARD MAINTENANCE:

Labor for us, satisfaction for you! We take care of your yard clean up needs so you have a fresh and livable space to enjoy! Here are some of the maintenance services we offer:

- Leaf and stick removal
- Edging
- Mulching
- Pesticide Application
- Fertilizer Application
- Pruning & Trimming
- Weed Prevention
- Deer Repellent Application
- And More...

Please note we do not offer mowing services.

Landscape Services & Design

At Hollandia, we offer a variety of landscape services to help you acquire the outdoor living space you deserve! We are a registered Home Improvement Contractor in CT and carry liability insurance. We can help!

SERVICE 1: LANDSCAPE DESIGN:

At Hollandia, we offer 3 types of landscape design consultation. Whether you need a small-scale yard rejuvenation or a complete property makeover, we can facilitate the process.

Consultations require an appointment and things get pretty busy at Hollandia (especially in May) so be sure to schedule your appointment early!

Once you have your plan in hand, you have the option of purchasing and planting green-goods yourself or you can hire Hollandia to install them for you. See the enclosed Hollandia Guarantee.

DESIGN OPTION 1: NURSERY SKETCH

Need some ideas or want to approach a total yard renovation in stages? This may be the option for you. You pick one area of your yard (front, side, or back) and we'll create a pencil-sketch landscape plan to get you started. This consultation takes place at Hollandia.

Design Fees:

\$200 for 1 hour (\$75 for each additional 1/2 hour)

What To Bring To Your Appointment:

1. Plot plan of your property with **measurements** of area.
2. 10-20 +/- **photos** of the focus area from different viewpoints. Please use regular 8.5x11" paper (non-glossy) so we can make notes.
3. Plant "**Wish List**" (preferred colors, etc.)
4. A list of **concerns** if any.

5. Information on sunlight conditions for the focus area.
6. Any other information that you think would be helpful for us to know (e.g. height of windows, placement of oven or dryer vents, location of oil fills, etc).

What You'll Receive:

1. A pencil-sketched design indicating all the plants you'll need and their recommended placement based on space, sunlight and other conditions.
2. \$100 store credit toward the purchase of your plant material.

DESIGN OPTION 2: ON-SITE

This option gives you the opportunity to meet with an experienced Hollandia representative at your home. We will talk you through some great landscape ideas specific to your property and needs.

Design Fees:

\$200 for initial site visit (approximately 1 1/2 hours)

What To Bring To Your Appointment:

1. **Plot plan** of your property.
2. Plant "**Wish List**" (preferred colors, etc.)
3. A list of **concerns** or other information you think would be helpful for us to know (e.g. property lines, etc).

What You'll Receive:

1. An in-depth, on-site evaluation of your property. This option includes your entire yard.
2. Discussion about several plant options for your yard and hard-scape ideas to include lighting, fire-pits, stone walls, etc.

DESIGN OPTION 3: ON-SITE PLUS

If you don't know where to begin, or if your yard needs a total redesign, an On-Site Plus consultation may be your best bet. With this option, an experienced Hollandia representative will come to your home to discuss your objectives and walk your property with you. During the meeting, we will take pictures, notes and familiarize ourselves with your setting.

After the On-Site Plus meeting, we will schedule a mutually convenient time for you to come to Hollandia to review the design, the proposed plant selections and the estimated costs to complete the areas discussed.

Design Fees:

\$500 for initial site visit and drawing
\$100/hour for additional site visits (if needed)
\$100/hour to meet with contractors at site (if needed)

What To Bring To Your Appointment:

1. **Plot plan** of your property.
2. Plant "**Wish List**" (preferred colors, etc.)
3. A list of **concerns** or other information you think would be helpful for us to know (e.g. property lines, etc).

What You'll Receive:

1. An in-depth, on-site evaluation of your property with consideration for how all aspects of your yard relate to each other. Soft-scapes, hard-scapes, lighting, etc. will be reviewed.
2. A pencil-sketched design indicating all the plants you'll need and their recommended placement based on space, sunlight and other conditions.
3. \$500 credit will be applied when Hollandia installs a landscape valued at \$5,000 or more.

SERVICE 2: PLANT INSTALLATION:

We want your plants and trees to look as good on your property as they do at Hollandia. When we install your green-goods, we use methods known to support their long-term survival including appropriate planting depth. A base of peat moss is used for moisture retention, fertilizer is applied, and a topping of mulch blankets each specimen. Before we leave, we'll review the steps you'll need to take to ensure that your plants stay healthy for years to come. Not only that, we guarantee what we plant for 1 year! See the enclosed Hollandia Guarantee.

SERVICE 3: DELIVERY:

We deliver any of the products we sell (including bulk mulch, bulk soil, plants, trees, and hard-goods) to a number of surrounding communities. Please call us for pricing and availability.
